

ALPHABIOLABS
SETTING THE STANDARD

Alpha Biolaboratories Are Awarded TOP Accreditation!!

Alpha Biolaboratories are pleased to announce accreditation to the UKAS ISO 17025 Standard for Drugs of Abuse in Hair making us the ONLY laboratory in the Family Law sector based in England to have achieved this accreditation.

Why is this Important?

It demonstrates that the leading accreditation body in the United Kingdom (UKAS) has confirmed that our laboratory meets the foremost standards of technical competence.

It shows that our test reports are accurate, reliable and can be used in court proceedings, both civil and criminal.

Why Choose Alpha Biolaboratories?

UKAS ISO17025 accreditation for Drugs of abuse **and** DNA Paternity Testing

On the Ministry of Justice list of approved paternity testers

We have a dedicated team of staff nurses (employed by Alpha Biolaboratories, not an agency)

Our average turnaround time of only 3 – 5 working days from the date we receive the sample

Price Match Guarantee!!

In addition, we have a Alpha Biolaboratories Price Promise We understand that the LSC has limited funds and we will not be beaten on price. We will match any genuine like for like quote.
